

REVOLUTION MINISTRIES
EVANGELIZATION IN AN APOSTOLIC AGE

Board of Directors:
Statement of Support

As a legal member of the Board of Directors for Revolution Ministries, I wanted to highlight my gratitude for your continued support for this important and dare I say, vital, apostolate in the Church. I have known Tyler for over ten years as a personal friend as well as a colleague in mission. His passion, zeal, and openness to the work of the Holy Spirit has been a catalyst for the opening of hearts of countless individuals over the years. There are many ministries out there who do incredible work, but the grassroots nature of Revolution Ministries is unique and is going to bear long-lasting fruit. Tyler's ministry can be characterized as "deeply personal work." And it is your prayerful and financial support that is allowing Tyler to continue to build out and establish various ministry streams so that this "deeply personal work" can continue.

Tyler has received a unique and specific call to invite Christians deeper into their own heart - to taste their desire for "the more" that only God can offer. To put it boldly, Revolution Ministries is in it for the long haul…not seeking to offer just a moment of encounter that changes a life, but teaches those they reach how to have a lifetime of encounter. This takes time, silence, slowness, and reverence…all of which come together to create a posture of seeing persons not simply as projects, but as mysteries that God is calling to the adventure of relationship.

Your support is changing and elevating "the norm" of evangelization and is creating a culture of Christians who are more secure in their identity as beloved, and ready to share that gift with others. As someone who is in a similar vineyard in Louisiana, I can testify to the fact that it is only in this type of deep, consistent, and continual work that there can be long-reaching and lasting fruit. Be assured of our prayers for you and all of your intentions, and may Jesus draw us all ever more deeply into His own Heart.

Yours in Christ,
