

REVOLUTION MINISTRIES
EVANGELIZATION IN AN APOSTOLIC AGE

Diocesan Clergy:

Statement of Support

To whom it may concern,

As a Catholic priest in the Diocese of Wichita, I am seeing such a pressing need for evangelization efforts that exist outside of the normal spheres of the parish and school systems. I have known and worked with Tyler for years, and I can clearly see that God has instilled in him a unique passion for sharing the Gospel in fresh and compelling ways, which is the call of the New Evangelization as commissioned by St. John Paul II.

I am proud to endorse Tyler for any missionary activity that he continues to carry out after many years of serving as a FOCUS missionary. I also fully support and encourage ongoing financial assistance to Revolution Ministries, as it seeks to fulfill the Church's plea to engage in the new evangelization in new and innovative ways.
