

CATHOLIC DIOCESE OF WICHITA

Office of the Bishop

424 North Broadway | Wichita, Kansas 67202

To the Founder of Revolution Ministries,

I write on behalf of Revolution Ministries, a new initiative of Tyler Weber. He has shared with me his desire to embrace St John Paul II's papacy which called for a new evangelization with "new ardor, new methods, and new expression." We are in agreement that the times in which we now live call for renewal and apostolic courage to help Catholics to live the Gospel more fully.

As the Bishop of the Diocese of Wichita, I give my blessing to the launch of this new ministry in hopes of fostering a sustained way to live as a true missionary disciple in our diocese and beyond. I fully support the financial assistance and solicitation of any past, present and future donors to Revolution Ministries as they embark on this new endeavor.

May God use this ministry to strengthen all Catholics to be courageous, bold, fearless, humble, and loving witnesses in our times. Please know of my prayers for all involved in the efforts of this ministry. I remain,

Humbly Yours in Christ,

Most Reverend Carl A. Kemme, D.D.
Bishop of Wichita
