

REVOLUTION
MINISTRIES
EVANGELIZATION IN AN APOSTOLIC AGE

THIS IS FOR THE FEW

Every baptized Christian has a calling to participate in the Great Commission. We strongly believe that no matter who you are or what you do for a living, that this applies to all. This is the common vocation to mission. However, we also strongly believe that there are those who are particularly called to live a life more dedicated to mission in a full-time capacity. St. John Paul II writes:

"What is involved, therefore, is a "special vocation," patterned on that of the apostles. It is manifested in a total commitment to evangelization, a commitment which involves the missionary's whole person and life, and demands a self-giving without limits of energy or time. Those who have received this vocation, "sent by legitimate authority, go out, in faith and obedience, to those who are far from Christ, set aside for the work to which they have been called as ministers of the Gospel." (Redemptoris Missio, 1993)

Revolution Ministries is just that, a full-time missionary calling. If you have a creative passion for the New Evangelization and are wanting a life that is dedicated to the full time spreading of the Gospel, you may want to consider talking with us. The first step is praying and talking with trusted mentors and guides. The second step is sending us a personal letter, telling us about yourself and your passion and desire for mission, as well as why you think you would be a good fit for being a missionary with us. The letter has no minimum or maximum length. Please send your letter to: Revolution Ministries, 1411 North Stratford Ln, Wichita, KS 67206. The letters will be reviewed and all applicants will be discussed with members of our board of directors. If we see that you may be a good fit, an interview will be scheduled.

Lastly, in order to protect the integrity of our mission, we want this to be an organization of 'risk and calling.' Being a missionary with our organization isn't for everyone, but reserved for those who feel a radical call. With that said, we rely 100% on God's providence through benefactors and will invite you to fundraise your entire salary. We also provide no health insurance or retirement matches with our organization. Employees are free to shop for a healthcare plan that fits their needs, as well as consider enrolling in a Christian health-sharing plan. May God bless you in your discernment.
