

THE PRIMACY OF CREATIVITY

“To speak of a “new evangelization” does not in fact mean that a single formula should be developed that would hold the same for all circumstances.” (Pope Benedict XVI). There is no ‘one-size-fits-all’ approach when it comes to evangelization. The most practical is the supernatural. At Revolution Ministries, we want to continually rely on the creativity of the Holy Spirit as we set out in this apostolic age to re-engage people with the Gospel.
